PG & Research Department of Botany

2015 – 2016

FEED BACK

Suggestions from students to shift the Elective Paper-Fundamentals of Computer & Bioinformatics to Core Paper while restructuring the syllabus.

Suggestions were given to provide more of practical exposure to the students

ACTION TAKEN

As Computer & Bioinformatics is a rapidly growing career field and an emerging scientific discipline, modification of Syllabus as per student's feedback was approved by the Board.

Horticulture & Plant breeding was introduced as Elective Paper

Based on students' suggestions Hands on training and Workshops were organized
