**DEPARTMENT OF CHEMISTRY**

**(2019-2020)**

**Feed Back:**

1. Feedback from Stake holders, Alumni and students about the curriculum is collected regularly and it is taken into consideration while restructuring the syllabus.
2. Suggestions given by experts from industry and from research institutes are incorporated into the curriculum design.

**Action Taken**

Internship helps to learn the role, tasks, try out new skills and tools in the industry with confidence, without pressure of being wrong. This allows the students to improve their working skills, nurture better personality and widen the scope of employability and entrepreneurship. Students are involved in doing Internship programme in varied industries.
