DEPARTMENT OF ZOOLOGY

(2019-2020)

Feed Back:

Feedback about the curriculum is collected periodically from experts, Industry Professionals, Alumni and Students and it is taken into consideration while reforming the syllabus.

Suggestions given by experts from industry and from research institutes are incorporated into the curriculum design.

Action Taken

The purpose of internship programme in the curriculum is to harness the employability skills, to provide hands on experience and knowledge and to inculcate the work place culture, employee relations and team playing skills.

To develop a sound understanding of the public health problems and to promote the positive life style habits among the community, to reduce the incidence of disease, "Public Health and Hygiene" the Non - Major Elective paper is enriched.
