ENVIRO CLUB ACTIVITIES

The Directorate of Environment had granted permission for the formation of an Enviro-club in Vellalal College for Women from October 2002 to May 2008. From June 2008 onwards the College has launched an Enviro-club to provide opportunity for the student community to observe and learn more about nature and its diversity, thus motivating them to involve actively in environment related activities and campaigns.

On 19.08.17, Dr. A. Mohan Kumar, Assistant Professor of Zoology and NSS Officer, Chikkanna Government Arts College, Tarapur, delivered an interesting and enlightening speech on the topic "Solid Waste Management". Students are urged to develop organic manure pit on campus with an emphasis on cultivating environmental advocacy among the students.

In a move to reinduce the vitality of the eco-friendly ancient Indian practices, on 26th August 2017, the Enviro Club organized a Training Program on "Seed Ball preparation from different kinds of Seeds". 200 students participated and prepared seed balls, a natural farming substance with the materials like cow dung, clay soil, red soil and many seeds like neem seeds, tamarind seeds, pomegranate seeds etc., to conserve plants.

The Enviro club volunteers undertook an eco visit on 31.08.2017 and 01.09.2017 to Cooty, a place which is famous for its serenity & scenic beauty with various vegetation, wildlife, world-class coffee and the Kodavas, the ethnic warrior people of Cooty, wherein the members of enviro club gained greater awareness on environmental issues such as protection, conservation, preservation and restoration of forest.

As an ongoing effort to utilize the ways of improving everyday living, the club organized a farm visit to Jain Irrigation System Ltd. Udumalpet, on 23.09.17. Dr. Sundar Singh, Chief Agronomist, explained the working of drip irrigation system. Dr. Gobral Manoga, a scientist in Tissue Culture Unit, spoke on the varieties of banana and pomegranate cultivated in tissue culture lab and its transplantation in main field. A drip irrigation engineer Mr. Srakumar elaborated on the various types of drip irrigation and its utilities. To sensitize the essentiality of cleanliness

to make the Earth clean and serene, clean-up activities were carried out at Amarasathi Dam and Thirunamorthy falls near Udumalpet by the Enviro Club volunteers.

On 16.12.2017, the club organized a cleaning programme and the members ploughed the seed balls in the coconut grove on campus. In order to create awareness among the people of the surrounding locale, the volunteers conducted the cleaning and seed ball ploughing initiatives at Ganapathipalayam and also mobilized the non-member students of the club for reforestation.

To inculcate the value of traditional medicine strategy, the members of the club were taken to SKM Siddha and Ayurvedha Company Ltd., Saminathapuram, on 30.12.2017. Mr. M. Vivvanath, Manager-QC, expounded the siddha, ayurvedha and unani products manufactured by using herbal plants, seeds and oils and illustrated the procedure of making Chooranam (powder), Capsules and Thailam (Oil). On the same day, the students visited Cozalai near SKM Company to know about the different breeds of cows and their maintenance.

A Guest Lecture on "Rainwater Harvesting and Water Management" was conducted for 200 Enviro-club members on 24th February 2018. Dr. S. Paulsamy, Associate Professor & Head (RI), Department of Botany, Dean, Academic and R&D, Kongunadu Arts and Science College, Coimbatore, gave an edifying speech on rain water harvesting methods. Finally, water recycling methods were demonstrated with practical applications.

SWATCH BHARAT PROGRAMME-08.12.2017

As a part of **Swach Bharat program**, 50 cadets of Vellalar College for Women took part in the campus cleaning where it is fully covered with bushes and wastes. The program was held on **08.12.2017** in which cadets actively took part and removed the bushes and also removed the wastes that were shattered in all the places. The cadets cleaned both in and around the campus of the Vellalar College for Women. The cadets removed the every piece of plastic and waste both in and around the campus to maintain cleanliness. The enthusiasm of the cadets leaped out of the work. The cadets weeded the bushes in the whole garden The complete involvement of the cadets was witnessed by the clean campus which was the result of the program. The spirit of the cadets made the work of cleaning, a victorious one. Continuous programmes conducted by us in our college motivated the cadets to carry on the same work with energy and enthusiasm in a long run.

REPORT

50 NCC cadets of Vellalar college for women took part in the Swachh Bharat Programme at Thanthai Periyar Government Hospital, Erode on August 25, 2018. The programme commenced at 9.00am and ended at 12.30pm in the afternoon. The Cadets were accompanied by the Olirum Erode foundation to fulfil their duty. The cadets were provided with safety gloves and mask to protect themselves from infection. They cleaned the entire campus of erode government hospital. All plastic wastes were collected in the garbage bags from debris. The cadets created awareness among the public to maintain their personal hygiene and also to keep their surrounding clean. Swachh Bharat Abhiyan (SBA) (Swachh Bharat Mission (SBM) or Clean India Mission in English) is a campaign in India that aims to clean up the streets, roads and infrastructure of India's cities, smaller towns, and rural areas. The objectives of Swachh Bharat includes elimination of open defecation through the construction of household-owned and community-owned toilets and establishing an accountable mechanism of monitoring toilet use. Mental health awareness speech was given by Dr. Prakash and his team members. Mental health awareness week was celebrated from May 14 to May 20. The aim of the programme was to create awareness among Cadets about mental illness and about cleanliness. The Doctors gave an informative speech about the stress .He explained how to keep our mind healthy. The cadets as a citizen of India fulfilled their duty and promised to help India be clean at all times. The enthusiasm of the Cadets inspired and motivated lots of people to take up the work of keeping our country clean and healthy. Olirum Erode Foundation helped the team in cleaning work. Captain N. Kavitha, Associate NCC Officer coordinated the work.
