The Board of studies in UG Biochemistry held on 15.4.2017 recommended the following changes in the syllabi and scheme of examinations for the students to be admitted during 2017-2018 and onwards.

- \* It is suggested to include "Effect of Temperature on the activity of catalase / Acid Phosphatase and Salivary Amylase" in core practical III (13BCUCP03) and the kit experiment 'ALP' as Group experiment.
- \* It is recommended to include a topic on "Balanced diet" in Unit II of Non-major elective paper I - Health & Hygiene (15BCUN301)
- \* On line course "Bioinformatics" may be given at UG level.
- \* A pentose - xylose can be included instead of Galactose, in core practical I (13BCUCP01)
- \* New panel members are included in question paper setter's board and Practical examiners for the year 2017-2018.
