Agenda discussed were,

1. Revision of syllabus for the UG course from the academic year 2017-2018 onwards
2. To update the panel of question paper setters & examiners.
3. Any other matter.

Resolutions:

1. Resolved to approve the existing syllabi for B.Sc Zoology without modification for the students admitted during 2015-2016.
2. Resolved to approve the revised syllabus of SBS I - Ornamental fish Culture in semester III, Non-major II - Public Health and Hygiene in Semester IV and Elective practical in Semester VI for the students admitted during 2016-2017.
3. Resolved to approve the introduction of Non-major Paper I 'Wildlife Diversity and Conservation' in the Semester III instead of the existing paper 'Wildlife Management' for the students admitted during 2016-17.
4. Resolved to approve the revised syllabus of Core Practical I and Allied Zoology Practical for the students admitted during 2017-18.

5. Resolved to approve the existing syllabi of UGC sponsored Career Oriented Programme - Biomedical Instrumentation. Certificate Course without any modification.

Suggestions:

1. The above members of Board of Studies attended the meeting [15.04.2017] and gone through the syllabi. We had an active discussion to modify the syllabus [SBS-I, NME-I and II, Core Practical I, Allied Zoology Practical and Elective Practical] to improve the competence of the students.

2. Revamping of existing Non Major Elective I and II and SBS I was approved with some modifications.

3. Elective Practical syllabus has been revised.

4. In Core Practical I and Allied Zoology Practical, the Virtual Dissection of Cockroach has been changed to live demonstration as students of zoology have to be aware of the mode of dissection, how it is done and exhibited for evaluation. The other experiments and Spotters have also been revised.

5. The above changes have been discussed and approved by the Board of Studies as being appropriate to be followed in the present academic scenario.
