DEPARTMENT OF CHEMISTRY

(2018-2019)

Feed Back:

1. Feedback from Stake holders, Alumni and students about the curriculum is collected regularly and it is taken into consideration while restructuring the syllabus.
2. Suggestions given by experts from industry and from research institutes are incorporated into the curriculum design.

Action Taken

Rather than the educational process, to develop the professional knowledge, skills, abilities, values and attitudes among the students an Outcome Based Education system is introduced in the curriculum. Based on the relevant need of the discipline, two different Allied Chemistry papers are offered for B.Sc., Physics and B.Sc., Botany, Zoology and Nutrition & Dietetics.
