DEPARTMENT OF ZOOLOGY

(2016-2017)

Feed Back:

Feedback about the curriculum is collected periodically from experts, Industry Professionals, Alumni and Students and it is taken into consideration while reforming the syllabus.

Action Taken

In order to enhance class room learning and to provide students a real world experience and contextual learning, the practical syllabi are enriched with non experimental research and field survey. To gain knowledge on applied fields of Zoology and to become a skill – based expert the “Applied Zoology” paper is introduced as an Allied paper in the curriculum.
