under the auspices and support of University Grants Commission, New Delhi, for the proposed

DIPLOMA COURSE ON BIO-DEGRADABLE SOLID WASTE
MANAGEMENT as Add-on carrier-oriented course at under graduate level.

Manonmani Vermi Farm is engaged in building Human Resource capacity in managing the Bio-degradable Solid Wastes of both Urban and Rural since from 1999. It has trained more than 800 personnel in converting the organic waste into beneficial Compost and Vermi-Compost.

Every year every city is accumulating thousands of tones of solid waste. Every town and city is facing severe problem in managing this waste, on the other hand millions of tones of agro waste burnt into ashes. Both these have great potential in changing the manures demand of Indian rural areas.

Honorable Supreme Court of India has made it mandatory to manage the urban solid waste in eco-friendly way and every Municipality and Corporations should follow it in word and sprit. However the problem every one facing is lack of trained persons. This Course is aimed at fulfilling this gap with needed technical and practical skills that will provide right candidates for the newly developing enterprise. This will also help the enterprising young in starting their own units

Our organisation agrees to assist the DEPARTMENT OF BOTANY of the institution,

- a). in designing, developing the course, preparing the learning materials and tools for the use of the lecturers and the students.
- b). in providing printed (photo copies) and non printed materials available with Our Resource Centre.
- c). in providing guest faculty for teaching specific topics of the course,

d). in providing facilities and faculties for carrying out the practical training under our direct supervision or jointly with the faculty of the institution.

e). in arranging guided educational tours and on-the job training whenever and wherever needed to acquire necessary skills to enhance the students performance in theory and practical work, field works.

f). in assisting the institution in the evaluation of the students' performance in both theory ,laboratory practicals field works and on the job training.

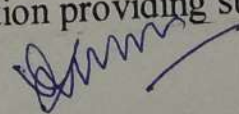

g). in arranging ,to the extend possible, job placements in private sector.

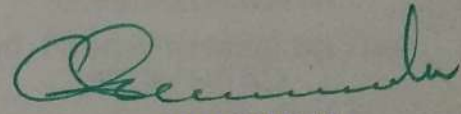

h).provide any other assistances that our institution is capable of in carrying out the course successfully.

The two institutions will mutually decide upon the implementation of the tasks mentioned above, other terms and conditions including the financial part.

We re-affirm our commitment of the programme and our willingness to make a consistent effort to ensure that the course is implemented effectivly and efficiently for the betterment of the students and the environment.

MEMORANDUM OF AGREEMENT

Dated the 16th day of October 2014

Between

**INDIAN INSTITUTE OF CROP PROCESSING TECHNOLOGY
THANJAVUR, INDIA**

&

**VELLALAR COLLEGE FOR WOMEN (AUTONOMOUS)
ERODE, INDIA**

This Memorandum of Agreement between the Indian Institute of Crop Processing Technology (IICPT) and Vellalar College for Women (Autonomous) is intended to facilitate a collaborative program of research, training, curriculum, institutional development, information dissemination, and exchange of faculty, students and staff. The linkage hereby formed shall further each partner institution's objectives as well as strengthen the mutual relationship between the partners.

About Indian Institute of Crop Processing Technology (IICPT)

Indian Institute of Crop Processing Technology is a reputed R&D and educational institution under the Ministry of Food Processing Industries, Government of India. Since its inception in 1967 as a modest laboratory in Tiruvarur, it has undergone many transitions in its growth and development. The institute has seven diversified departments namely; Academics & HRD, Food Engineering & Design, Food Packaging Equipment & System Development, Food Product Development, Food Safety and Quality Testing, Primary Processing, Storage & Handling, Technology Dissemination.

IICPT offers B. Tech, M. Tech, and Ph. D programs in Food Process Engineering and M. Tech in Food Science and Technology. IICPT has international standard laboratories including: NABL accredited Food Quality and Safety Testing Laboratory; ISO 9000, 14000 and 22000 Certified Food Processing Business Incubation cum Training Centre; AICTE approved Teaching Laboratories and State-of-Art HI-Tech Food Processing Research Laboratories. The facilities available at IICPT are effectively explored through offering hands-on trainings, consultancy services, incubation services, quality testing and R&D support for food industry stake holders. Tailor made programmes are offered for promotion of cottage level food industries, especially for farmers and women self help groups.

In pursuance of its corporate goals, IICPT has forged strong links with and between the scientific and industrial community in India and abroad. The Institute has formal agreements with major R&D organizations/Universities for collaborative research, student and faculty exchange programs. IICPT has signed Memorandum of Understanding with the 14 international and 19 national level reputed institutions.

About Vellalar College for Women (Autonomous)

Vellalar College for Women is a pioneer institution in the cause of women's education and has a long and impeccable tradition of 44 years of unparalleled devotion, commitment and integrity. Since its inception in 1970, the institution has taken great strides in fulfilling its mission of educating and thereby empowering women especially first generation women scholars from rural areas/backward sections of the society. The credit of placing Erode on the national map of women's education goes to the former and present Presidents, Correspondents and Secretaries who are the chief architects of this institution. They nurtured and cradled this institution with fervent dreams.

After being conferred with the status of autonomy in 2007, there has been a spurt of innovations and revisions in the curriculum, research pursuits, teaching-learning methodologies, evaluation and infrastructure in accord with the changing context of globalization. NAAC has accorded 'A' grade in 2008 to the institution with a CGPA of 3.31 on four point scale which vouches for its academic dimensions and magnitude. It is a matter of pride that the UGC has bestowed upon the institution 'College with Potential for Excellence' for its overall excellence in the domain of education. The institution has topped the Best Colleges affiliated to Bharathiar University and has been the proud recipient of many awards such as the Best College Award, Best NSS Unit Award, Best College Magazine Award, Best Cooperative Stores Award, Best Citizen Consumer Club Award and Best Blood Donors Award. The repeated success of the institution in the spheres of academics, sports and other aspects are attributable to the support of the management and the dedicated professionalism of the working force of the institution.

- The institution offers a total of 47 programmes comprising of 24 UG, 13 PG and 10 Research Programmes and also 8 UGC Sponsored Career-Oriented Add-on courses and 15 other Certificate courses.
- The Choice Based Credit System (CBCS) is followed from 2008-2009 onwards. The autonomous curriculum has been fine-tuned in accordance with the guidelines of the University Grants Commission, All India Council for Technical Education (AICTE), Tamilnadu State Council for Higher Education (TANSCHÉ) and Bharathiar University.
- There are 80 research guides for M. Phil., and 44 research guides for Ph.D, who share the credit of producing 375 M.Phil. Scholars and 45 doctorates in the last five years. 143 M.Phil. and 81 Ph.D. scholars are currently pursuing research.
- The department of Nutrition and Dietetics is publishing a biannual national journal both online and printed version with ISSN number. (Indexed in *i scholar*).
- The Science, Humanities and Social Science departments are publishing two biannual multidisciplinary international journals both online and printed version with ISSN numbers.
- The terrains of ICT enabled technology have been explored to proffer the students finest learning experience.
- Every slice of activity is charted out in such a way as to prove beneficial to the learners and the society.

Educational and academic exchanges are considered here to include but not limited to:

1. Extension activity – Outreach Programmes focusing on Food Processing for rural/urban population – Self Help Group, farmers, homemakers, entrepreneurs and educational institutions.
2. Reciprocal assistance for visiting faculty, students and staff.
3. Co-ordination of joint research, lectures and training.
4. Exchange of students for library and laboratory for research purpose.

Whereas

- A. Details of the implementation of any particular student exchange or faculty-related activity resulting from this Memorandum of Understanding shall be negotiated between the two (2) institutions as such specific case may arise and will be outlined in a Supplementary Student Exchange Agreement or Faculty Exchange Agreement between the institutions. Supplementary Agreements are subject always to availability of sufficient funds to the respective institutions.
- B. This Memorandum of Understanding reflects the respective institutions' commitments to both educational and academic exchanges as of the date of the Memorandum of Understanding. This Memorandum of Understanding may be amended or terminated at any time by either party provided that notice of termination or amendment is provided by the notifying party to the other

party within thirty (30) days of the date on which the termination or the amendment is intended to become effective. Any amendment or termination shall not have effect on any arrangement in place at the time that the notice is provided, where the arrangement arises from any Supplementary Agreements resulting from this Memorandum of Understanding.

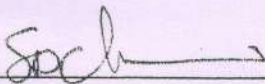

Both institutions subscribe to the policy of equal opportunity and will not discriminate on the basis of gender, age, disability, race, color, religion, marital status, veteran's status, national or ethnic origin, or sexual orientation.

This Memorandum of Agreement will become effective immediately. It shall continue in effect for a period of five (5) years and may be extended by mutual agreement. It may be terminated by either institution upon one month written notification to the partner institution.

IN WITNESS WHEREOF the parties hereto have executed the MEMORANDUM OF UNDERSTANDING as of the date first written above.
