Dr. P. Suresh
Assistant Professor
PG & Research Dept of Zoology
L.R.G. Govt. Arts College
Tiruppur

Industrialist

Dr. K. R. Nagenderan
Gerophyta Nutraceuticals
Spirulina Production & Research Center
Illupur (PO) Pudukottai

Agenda discussed were,

1. Revision of syllabus for the UG Course from the academic year 2018-2019 onwards
2. Any other matter.

Resolutions

1. Resolved to approve the existing syllabi for B.Sc., Zoology with modification for the students admitted during the academic year 2016-17.
2. Resolved to approve the introduction of **SBS - III - Animal Farming** in the Semester V, instead of SBS-III Poultry Husbandry for the students

3. Resolved to approve the introduction of **Elective-I - MLT Paper-I** in the Semester V and **Elective-II MLT Paper-II** in Semester VI instead of existing Elective-I Dairy science and Elective-II Veroniculture respectively for the students admitted during 2016-2017.
4. Resolved to approve the introduction of **Elective Practical (Based on Elective-I & Elective-II)** in the Semester V and VI instead of Elective Practical in the Semester VI for the students admitted during 2016-2017.
5. Resolved to approve the introduction of Outcome Based Education syllabi for **Core Paper I, II, III, Core Practical-I, Allied zoology paper I & II and Allied Practical** for the students admitted during 2018-2019.
6. Resolved to approve the existing syllabi for of UGC sponsored career oriented programme - Biomedical Instrumentation Certificate Course without any modification.

Suggestions

1. The above members of Board of studies attended the meeting (23.04.2018) and gone through the syllabi
2. The contents of the revised syllabi are upto the mark.
3. The course structure is very good. On successful completion of the course,

the student of zoology will come out with diversified knowledge on professional skills related to zoology.

4. Suggestions were given to include Dairy farming or Poultry Husbandry instead of Haematology in Allied Zoology paper.

5. Suggestions were given for inclusion of Stool examination topic in Medical Laboratory Technology paper.

6. Suggestions were given for the inclusion of Sericulture Practical in Allied Zoology practical.
