Agenda discussed were,

1. Revision of Syllabus for the UG Course from the academic year 2017-2018 onwards
2. Any other matter

Resolutions:

1. Resolved to approve the existing syllabi for B.Sc., Zoology without modification for the Students admitted during the academic year 2017-2018.

2. Resolved to approve the introduction of OBE Pattern for Core papers - IV, V and Core Practical - II for the Students admitted during 2018-2019.

3. Resolved to approve the revised syllabi of Skill Based Subject - I - Ornamental Fish Culture and Non-Major - I - Wildlife Diversity and Conservation in Semester III and Skill Based Subject - II - Multi Skill Development Paper and Non-Majors - II - Public Health and Hygiene in Semester IV for the Students admitted during 2018-2019.

4. Resolved to follow the existing syllabi (2018-19 OBE Pattern) for the Students admitted during the academic year 2019-2020.

5. Resolved to approve the revised syllabi of UGC sponsored Add on course - Biomedical Instrumentation - Certificate Course for the Students admitted during 2019-2020.

Suggestions:

The above members of Board of Studies attended the meeting [15.03.2019] and gone through syllabi

1. The course structure is good.
2. Ornamental Fish culture is an attractive paper. It may attract non-major students.
3. Topics like Fertilization and Modern Synthetic Theory of Evolution can be included in the paper Developmental Biology and Evolution.
4. MULTISKILL Development paper will be helpful for the students who appear for competitive exams.
5. Usage of Sanitary napkins may be included in the paper Public Health and Hygiene.
6. YouTube links given at the end of each paper will be very useful to the students for comprehending the subjects.
