## RFID Security System

The RFID gate reduces the accidental or deliberate removal of Library items by detecting RFID tags in any orientation. Upon detection, a configurable alert provides an immediate audible and /or visual warning.

## Prints@vcw

The eprints@vcw provides a platform for faculty and researchers to deposit, reuse, and share their research publications.. Faculty and researchers can submit their pre-prints (a pre-refereed version of an article), post-prints (post-refereed final version) and publisher PDFs (if allowed by the publisher). Apart from this, IR also hosts the Ph.D theses submitted at Central Library.
