## COLLEGE EMBLEM

The ideals and values which we cherish are symbolically represented in the college emblem.

The Lotus, our national flower, symbolises the blooming of young minds in the light of knowledge.

The ears of paddy and sugarcane represent prosperity which all our villages should enjoy.

The "Olaichuvadi" stands as the basic of our ancient educational traditions.

The "Paavaivilakku" brings out the importance of women's education. The light of knowledge, emanating from educated women dispels the darkness of ignorance and guides us along the path of knowledge.

The temple on the hill focuses attention on the fact that it is only the Creator who can guide man in his pursuit of true knowledge and peace and lead him to the pinnacle of glory.

Our motto 'உள்ளுவதெல்லாம் உயர்வுள்ளது' - let our thoughts be noble ones - emphasises that high thinking is essential. It is only high thinking that gives proper direction to all our activities.

## VISION

Empowerment of women through quality education.

## MISSION

To nurture human values through value-based education.

To provide educational opportunities to the rural backward and down - trodden women.

To make the first generation scholars globe-trotters and nation builders.

To address the major concerns of our society through new teaching, learning methodologies.

To transform the youth into excellent performers for national development.

## QUALITY POLICY

Vellalar College for Women is committed to educate and evolve the graduating scholars by imparting them a comprehensive, inclusive and sustainable education - both theoretical and experiential - engendering not only domain knowledge but also life skills and core values whereby they are leveraged into industry ready, globally competitive, culturally sound, eco conscious, socially responsible and tech-empowered human resources capable of effecting a positive transformation in the society and the nation at large.

## ABOUT THE COLLEGE

Vellalar College for Women established by Vellalar Educational Trust is a pioneer institution in the cause of women's education and has a long and impeccable tradition of 50 years of unparalleled devotion, commitment and integrity. Since its inception in 1970, the institution has taken great strides in fulfilling its mission of educating and thereby empowering women, especially first generation women scholars from rural areas/backward section of the society.

The credit of placing Erode on the national map of women's education goes to the first President Thiru. V.M. Kailasa Gounder and the first Secretary Thiru S.C. Sengottuvelappan who were the chief architects of this institution. They nurtured and cradled this institution with fervent dreams. Thiru S.C. Sengottuvelappan was succeeded by Thiru. S. Duraisamy Gounder. The institution owes its growth and repute to Dr. L.K. Muthuswamy, Mr. A.M. Nallaswamy and Mr. K. Chinnaswamy who were visionaries of insightful thought and foresight. The present President Thiru. S.S. Kandasamy and the present Secretary and Correspondent Thiru. S.D. Chandrasekar are dynamic personalities, eminent educationalists and the beacon lights behind every successful endeavour of the institution.

After being conferred with the status of autonomy in 2007, there has been a spurt of innovations and revisions in the curriculum, research pursuits, teaching-learning methodologies, evaluation and infrastructure in accord with the changing context of globalization. It is a matter of pride that the UGC has bestowed upon the institution 'College with Potential for Excellence' for its overall excellence in the domain of education in 2011. NAAC has Re-accredited the institution in the third cycle with 'A' grade (3.43 out of 4-point scale) in 2015 which vouches for its academic dimensions and magnitude. Our institution has secured 72<sup>nd</sup> position in NIRF rankings 2019 at all India level.

Recently, the College has received grants from the Department of Science and Technology under FIST Programme and from the Department of Biotechnology under STAR College Scheme.

Three Peer-reviewed biannual multidisciplinary research journals (both online and print versions with DOI & ISSN) are released from the portals of the institution which can be accessed online in the digital repository [www.i-scholar.in](http://www.i-scholar.in) and the journals are in the state of entering in the merit of UGC indexed.
