on 15th and 17th of April 2017
15 22
March 2019

and in the

Meeting held on 19th April 2017. The proposals placed of studies were seconded

for the approval of the Academic Council. The proposals placed by the chairpersons of the Boards and approved by the Council members.

In the deliberations, the syllabi. Dr. M. Jayaraman curriculum and the Mathematics Papers using SPOKEN-TUTORIAL materials. Dr. R. Jaishankar suggested to start B.Sc Statistics course in the College as Data Analytics is the boom of the day. He suggested that the text books and reference books are to be made up to date.

all the members commended the rich content of appreciated the Computer Science Department for the and computer science for offering self learning courses. Dr. R. Jaishankar suggested to start B.Sc Statistics course in the College as Data Analytics is the boom of the day. He suggested that the text books and reference books are to be made up to date.

Mr. Mohammad Kasim appreciated that 92% of the departments in our college have some ICT related paper in their curriculum and stated that our college is one among the forty nodal resource centers at the national level. He discussed about the importance and significance of FOSS. He also advised the departments to choose the FOSS training suitable to their discipline and to include the courses in the curriculum and to go for online examination conducted by Spoken Tutorial Project and assured that his team will always be ready to provide support for the programme and resolve any technical snag faced in the process. He also suggested the college to create awareness of FOSS to nearby schools and colleges as part of Institutional Social Responsibility.
