**Report on Clean India Programme-12.08.2016**

The NCC cadets of Vellalar College for Women, Thindal had conducted a cleaning program under the "Clean India Mission" introduced by the Indian Prime Minister Narendra Modi on 2<sup>nd</sup> October 2014. He wanted India to be cleaned in the 150<sup>th</sup> birth anniversary of Mahatma Gandhi in 2019 since Gandhiji wanted India to be cleaned. This mission was called as "Swatch Bharat Abhiyan" in Hindi and abbreviated as SBA & SBM.

The NCC cadets of Vellalar College for Women also took part in this mission. Under the International Youth Day Celebration on 12.08.16 nearly 50 cadets had started their mission by taking the pledge at 02:00 p.m., in the lobby of the college with the senior staff members Ms. L . Usha, Associated Professor & Head, Dept of Chemistry. The pledge regarding the clean India mission was read by the ANO, Capt. N. kavitha, Assistant Professor, Dep. Of History and was followed by the cadets. It includes Mahatma Gandhi's dreams of the country's freedom and cleanliness. They promised to serve Mother India by keeping the country clean and pure and have accepted to spend 100 hours in a year i.e., 2 hours per week for cleaning and even they pledged the imply this mission in all the village, cities and towns of India.

The cadets reached the slum area of Therkkupallam through the Chennimalai Road of Erode District. From there, they have started their mission of cleaning. Two cadets gave an introduction and spoke about the importance of this mission. They collected nearly 70 kgs of wastes from Therkkupallam slum and also at the way of Thindal to Therkkupallam. Still, there were many places to be cleaned. Then, they created awareness among the people to reduce the waste or reuse and at least to recycle

The invited chief guest of the programme was Ms.L.USHA, Associate Professor & Head , Dept. of Physics. Throughout the programme ,the cadets were also accompanied by the PI staff, Mr.Rayappan of 15 (TN) BN NCC, ERODE.

Capt. N. Kavitha delivered the welcome address and welcomed the cadets and the chief guest. Then the dias was handed over to the chief guest Ms. L. Usha .Madam addressed the gathering by saying that she felt very proud on addressing the NCC cadets as she did not get a chance to address the NCC cadets. Later she created a mass awareness among the cadets about the energy conservation by explaining the meaning of energy as "The ability or the capacity to do work", about the conservation of energy as "Using less energy by avoiding the unnecessary use of energy" and also about the necessity to save them, since it lights our cities, powers our vehicles, runs machinery in factories, warms and cools our homes, cooks our food, etc., with a beautiful Power Point Presentation for more than one hour. Then madam also gave some tips to the cadets in what way they could save the energy. She informed about the uses of utilizing the solar energy which could produce over 5,000 trillion KWh/yr, wind energy, geo-thermal energy, etc., instead of using the Non-renewable energy.

Madam also explains the difference between the energy conservation and the energy efficiency-regarding energy efficiency we don't have to sacrifice our comforts to save energy. She also asked the gathering to celebrate the Energy Conservation Day on

**“SWATCHH BHARAT ABHIYAN- 28.09.2016**

Nearly 50 cadets of Vellalar College for Women have taken part in the Swatch Bharat programme, which was introduced by the honorable Indian Prime Minister Narendhra Modi.

“SWATCHH BHARAT ABHIYAN” is nothing but “CLEAN INDIA MOVEMANT” in English. As our Prime Minister wanted to create a Clean India by 2019, as per the words of our Father of Nation- Mahatma Gandhi, he introduced this mission on 2<sup>nd</sup> October 2014. They were planned to cover all rural and urban areas. The urban component of the mission will be implemented the ministry of Urban Development and the rural component by the ministry of Drinking water and sanitation. The programme includes elimination of open defecation, conversation of unsanitary toilets, and eradication of manual scavenging, municipal solid wastes management and drinking about a behavioural change in people regarding healthy sanitation practices.

The mission aims to cover 1.04 crore households, provide 2.5 lakhs community toilets, 2.6 lakhs public toilets and a solid waste management in each town (4,401). It also aimed for an open defecation free country in 5 years through the solid and liquid waste management activities.

Regarding this to initiate the quest among the public about the cleanliness with oneself, one's family, locality, village and in their work place-the NCC Cadets of Vellalar College for Women are also involved themselves to clean the garbage around 5 kms on the way to Therkkupallam from Thindal of Erode. They reached the place at 9.00 am on 28.09.2016 and they have collected nearly 20 kgs of waste especially the polythene bags from the road sides by around 10 am on that day. Through their deeds, they have also

World Water Day is an annual event celebrated on 22<sup>nd</sup> March. The day focuses attention on the importance of universal access to clean water, sanitation and hygiene (WASH) facilities in developing countries. The day also focuses on advocating for the sustainable management of freshwater resources.

World Water Day is supported by stakeholders across the globe. Many organizations promote clean water for people and sustainable aquatic habitats. Events such as theatrical and musical celebrations, education events, and campaigns to raise money for access to clean and affordable water are held worldwide on or close to 22 March.

UN-Water selects a theme for each year. Previous themes included: 'why waste water?' (a play on words with 'Why wastewater?' in 2017,'Water and Jobs' in 2016, and 'Water and Sustainable Development' in 2015. The first International World Water Day, designated by the United Nations, was commemorated in 1993.

15 NCC cadets of Vellalar College for Women have organized a mini rally to create awareness among people about the conservation of water on 22.3.2017 from Thindal to Mettukadai, Erode. Through the olden literature, we came to know that, our ancestors had received the rainfall thrice in a month. But now - a- days, we are not even receiving once in three months. This is mainly due to deforestation. Our earth has become polluted and got enriched with green house gases like CO<sub>2</sub>, NO<sub>2</sub>, etc., which resulted in the lack of rainfall and the dissipation of the fields. In order to overcome these problems, our government and our many other Non-Governmental Organizations are insisting the public-not to cut the trees, but to plant the same to enrich the ground water level.

Thus in-order to promote water management, the NCC cadets involved themselves in awareness rally. Conservation of water is nothing but the proper maintenance of water in ponds, lakes, rivers, etc. There is only 3% of pure water available in the world in which only 1% and 2% in form of glaciers. The rally was initiated by Dr.(Tmt).D.KAMALAVENI., Principal Vellalar College for Women, Erode on the way from Thindal, Erode to Perundurai road near Mettukadai. The cadets have the explained the importance of water to the public. Those cadets were also accompanied by the ANO Capt.N.Kavitha of Vellalar College for Women. The cadets have also cleaned the surroundings by removing the waste polythene bags, plastics, etc., before the commencement of the programme until .

47 NCC cadets of Vellalar College for Women have- dressed in brown and worked for ever green. Hence, they have organized a Mega Tree Plantation Programme and Clean India programme along with the Non-Governmental Organization – Olirum Erode Foundation and JCI on 30.09.2016 at Erode Cancer Centre, Erode.

Through the olden literature, we came to know that, our ancestors had received the rainfall thrice in a month. But now - a- days, we are not even receiving once in three months. This is mainly due to deforestation. Our earth has become polluted and got enriched with green house gases like CO<sub>2</sub>, NO<sub>2</sub>, etc., which resulted in the lack of rainfall and the desertification of the fields. In order to overcome these problems, our government and our many other Non-Governmental Organizations are insisting the public-not to cut the trees, but to plant the same.

Thus in-order to promote afforestation, the NCC cadets involved themselves in planting the trees saplings. Tree plantation is nothing but the planting of tree saplings in the surroundings with a proper maintenance. This Mega Tree Plantation programme was initiated by the chief guest **Dr.K.VELLAVAN MD.RT., Consultant Radiation Oncologist, Cancer Chemotherapist & MD- Erode Cancer Center, Erode** and **Dr.(Tmt).D.KAMALAVENI., Principal Vellalar College for Women, Erode** at Erode Cancer Center on the way from thindal, Erode to Perundurai road near Chinthamani Petrol Bunk. The cadets have planted 25 trees saplings under the guidance of the CEOs **B.Chandrasekar, K.Kannan & S.Raja** of Olirum Erode Foundation. They also have watered the saplings and covered it with bamboo curtains to prevent the saplings from the bite of animals. Many volunteer workers of that hospital have involved
