UGC – CPE Funded One Day National Seminar

on

Emerging Trends in Historical Writings

13.03.2019

The Post Graduate and Research Department of History signed an MoU with Tamil University, Thanjavur. In this connection the department organized a UGC-CPE funded one day National Seminar on “Emerging Trends in Historical Writings” on 13.03.2019. To enrich the knowledge in recent trends that has been followed in historical writings this kind of seminar has been organized. Felicitation address was given by Prof.V.Chitra, Principal (in-charge), Associate Professor & Head, Department of Chemistry. The inaugural address was delivered by Dr.M.N.Raghu, Head and Assistant Professor, Department of History, Government College for Women, Chintamani, Chikkaballapura, Karanataka which focused on the scope and values of History.

The first technical session was chaired by Dr.M.N.Raghu, discussed on the theme “Women in Indian Freedom Movement as reflected in Indian Historiography since A.D.1857 to A.D 1947” was very fascinating and had generated interest among the participants. The hidden facts, about the position and role of women at the time of freedom movement, their immolation, enthusiasm and diligence in a persuasive manner. The second session was intellectually occupied by Dr.A.Rajendran, Associate Professor & Head, Department of History, Bishop Heber College, Tiruchirappalli on the concern of “Recent Trends in Indian Historical Writings”. His deliverance emphasized the aspects of Colonial Historiography, Nationalist Historiography, Marxian ideology and writing of history since the Indian Independence. He quoted the contributions of many historians like Romila Thapar, Ranajit Guha and so on.

The third Technical session was hold forth by Dr.S.Rajavelu, Professor & Head, Department of Maritime History and Marine Archaeology, Tamil University, Thanjavur on “Recent Trends in Archaeology for writing the Early History of Tamil Nadu”. As an archaeologist, his declamation about the note worthiness of archaeological sites of Tamil Nadu like Poompuhar, Kodumanal, Karur, Madurai and so on. His insistence on the importance of archaeological source in writing the history of the part, especially the ‘History of Tamil Nadu’ was a phenomenal one. He pointed out the

ancient trade routes and commercial activities of the people of Tamil Nadu from ancient times.

The valedictory session was presided over by Professor Dr.S.Rajavelu. Principal Dr.N.Maragatham, and Professor V.Chitra, Head of the Department of Chemistry distributed the certificates to the participants. Positive feedbacks were given by the faculty as well as the student participants. There were 223 faculty members, research scholars and the students of various colleges and the organizing department were benefited through this programme.

REPORT

**FIELD VISIT TO MANONMANI VERMI FARM, THALAVUMALAI, ARACHALUR
05.01.2019**

The PG and Research Department of Botany conducted a field visit to MANONMANI VERMI FARM- THALAVUMALAI, ARACHALUR under UGC sponsored Biodegradable Solid Waste Management Add-on Course on 05.01.2019. The first year under graduates (40 students) along with 3 staff members benefitted from this field visit. During the visit the students were exposed to the operations of the Vermi Farm unit and a brief demonstration on the processing of vermicompost was given by Mr. Selvam, Director, Manonmani Vermi Farm. He also explained about the handling techniques and safety measure to be followed during Vermicomposting and effective production guidelines were given to the students. This field visit has been an effective practical session and the foundation for the students to pursue their career as entrepreneurs in the field of biofertilizers.

STAFF ACTIVITY REPORT

Dr G. Jayanthi, Assistant Professor of Botany and Dr. S. Sharmila, Assistant Professor of Botany attended the 12th Annual Convention of ABAP & International Conference on "**Biodiversity, Environment and Human Health : Innovations and Emerging Trends**" from 12th to 14th November, 2018 at Mizoram University, Tanhril, Aizawl, Mizoram as a part of MoU activity. The staff members enriched their research capacities in connection with environment and biodiversity towards human benefit.

DBT - STAR COLLEGE SCHEME

PG AND RESEARCH DEPARTMENT OF BOTANY

GUEST LECTURE

28.12.2018

PG & Research Department of Botany organized a Guest lecture under DBT STAR College scheme and Dr. N. Senthil Kumar, Professor, Department of Biotechnology, Mizoram University, Mizoram acted as the resource person. He delivered a lecture on “DNA Barcoding and Bioinformatics Applications” on the afternoon of 28.12.2018. He gave a powerful talk on DNA barcode and explained that it is essential for both basic and applied research. He conveyed the information on Barcode of life, components of Bioinformatics, Gene prediction and many useful information regarding DNA Barcoding and applications of Bioinformatics. He elucidated that biological specimens that are similar may vary slightly in morphological and anatomical characters depending upon the ecological situation but the DNA samples of plants remain constant under any circumstance. He insisted the importance of barcoding of DNA. Finally he made an interaction with the students and clarified the doubts. 47 students and 4 faculty members participated and benefitted from this programme.

| Programme | : Faculty Development Programme |
| Title | : “VALUE ADDITION OF BANANA” |
| Date | : 29.01.2019 |
| Venue | : Indian Institute of Food Processing Technology, Ministry of Food Processing Industries, Govt. of India, Thanjavur. |

REPORT

Two Faculty members and two lab assistants, attended the Faculty Development Programme on “VALUE ADDITION OF BANANA”, organized by the Department of Food Processing Business Incubation Centre, Indian Institute of Food Processing Technology, Ministry of Food Processing Industries, Govt. of India, Thanjavur. Dr. Vincent Hema, Assistant Professor, Dept of Food Science and Nutrition of this institute was the resource person.

In the Introductory session, the intension on value addition to enhance the value of the product from its original state in terms of physical state or the form of the product were intended. The explanations were given on the vital role of banana in maintaining normal blood pressure, healthy digestion and eases out constipation and therefore banana was selected for the value addition. The use of Osmo-solar dehydration technology in the development of Value addition of banana was explained. The three key elements for successful industrial marketing were discussed i.e., Taste, Texture and Therapeutic uses. Banana, a highly perishable fruit, owing to its high moisture and climacteric nature, hence value addition processing techniques viz, Solar assisted drying, sun drying, tunnel drying and radio frequency sterilizing were elucidated in maintaining the shelf life stability for about 3- 6 months.

In the afternoon session, ingredients and procedure for the preparation of the product using banana were demonstrated. As a first step, the ripened banana was subjected to processing by drying under osmo-solar dehydration. Since Osmotic dehydration technique is time consuming, the method of Osmo-solar dehydration (Osmosis – dipping in sugar syrup) is adopted for drying. Finally the packing technologies were explained for maintaining the product stability. The huge potential of value added banana products will boost the economy of the country.

| Programme | : Laboratory Visit |
| Date | : 29.01.2019 |
| Venue | : Indian Institute of Food Processing Technology (IIFPT) Ministry of Food Processing Industries, Govt. of India, Thanjavur. |

REPORT

The students of I.B.Sc Nutrition and Dietetics, accompanied by two faculty members visited the laboratories of Indian Institute of Food Processing Technology, Ministry of Food Processing Industries, Govt. of India, Thanjavur. This institute has created world class research laboratories for conducting research in different areas of food processing technologies. IIFPT has State-of-the-art-laboratory namely, food safety and quality testing laboratory accredited by NABL (National Accreditation Board for Testing and Calibration laboratories). It is also notified by (FSSAI) Food Safety and Standards Authority of India as Referral Food Laboratory, Food Product Development Laboratory, Food Microbiology, Post Harvest Pest Management laboratory, a state of the art hi-tech food processing incubation centre and Food Engineering laboratories. These teaching laboratories are attractively designed and most updated equipments are in place. Food Processing being a vital sector has a critical role in achieving the over all economic growth. This visit may encourage the students for their future research work and also for becoming an entrepreneur.

Report

An MOU was signed with M M Techno Solution, Triuchengode on 22.11.2018 to organize a short term training program on ANDROID programming for the final year students. 39 students attended the classes only in morning, evening and on all holidays without affecting the regular classes of the college. Since, Android provides a rich application framework to build innovative apps and games for mobile devices which is the need of present and also that the need is of high priority, students are willing to do their projects in Android. In the training class they learnt about how to design the home page, how to create and access the database and how to develop a mobile application. Using those knowledge, they did their projects with the help of the above said concern together with their project guide in their respective project hours. On the whole the final year students developed a mobile application on their own which will help them for their future carrier.

Report on GST

The Department of Business Administration with Computer Applications has organised a Guest Lecture on the Topic "Goods and Service Tax" for the students (160) of BBA(CA) on 23rd August, 2018 in SCS Hall between 10.30 am – 12.00 pm. **Ms. Hamsaleela Natarajan**, Management Skill Development Trainer, MAXCADD, Coimbatore and Tax Consultant for Guru Associates, Erode has addressed the students. She educated the students about GST and its recent provisions and amendments. She made the students to understand the real issues in the field and motivated the students to use the provisions of Taxation correctly. She answered the various queries raised by the students on Taxation.

**Village Knowledge Centre
(Panchalingapuram, Erode District)**

The PG Department of Library and Information Science(PGDLIS) has taken initiatives to establish Village Knowledge Centre in Panchalingapuram based on the Memorandum of Understanding(MoU) signed with M.S. Swaminathan Research Foundation, Chennai.

In this connection the Mr. T. Stephen, HOD, faculty members of the department Ms. D. Mercy Lydia and Ms. S. Esther Delsy visited Uzhavar Mandram, Panchalingapuram and had a fruitful discussion with the farmers towards setting up of Village Knowledge Centre(VKC) in that village on 12.08.2018. The objective of VKC is to facilitate the farmers with necessary information regarding the recent developments in farming technology, pest control, increasing the yielding, water management, dry farming etc. In addition, it aims to empower the farmers with various new techniques developed by the researchers and scientists of MSSRF by organizing programmes such as online chats, plant clinic, discussion forums etc.

The office bearers of Uzhavar Mandram and members of the same agreed to set up VKC in their village. The students of Master of Library and Information Science and faculty members had a fruitful discussion with the farmers and discussed the problems faced by them in their field.

In Collaboration with
Informatics Publishing Limited (IPL), Bangalore

The VCW Journals provide a platform for academicians and researchers across the globe to share their research findings. The college entered into an agreement with Informatics Publishing Limited (IPL), Bangalore, to use its technology platform for e-publishing in the digital portal **i-scholar.in** for online hosting of the Journals yielding world wide access and also to avail of pre-publishing services as well as promotional activities. The journals are prefixed with Digital Object Identifier (DOI) for all the articles that are published in each issue to lend authenticity to the published content. All the three refereed biannual VCW Journals (HUSS, ScieXplore and FoodSci) had their online launch on 10th September 2014 in **i-scholar.in**.
