#### 4.3.4 Justification for Facilities for e-content development

e-Studio comprising Media Centre, Audio Visual Centre, Lecture Capturing System, Mixing Equipments and Software for Editing has been instituted in the year 2021 with the objective of developing e-content to facilitate ICT enabled learning. But the Pandemic situation has restricted the teachers to the practice of Work from Home, consequently resulting in non-utilization of e-studio and non-development of e-content resources. Hence the audited income expenditure statement could not be submitted.
