Report

The Civil Services Coaching Club & Career and Counseling Cell of Vellalar College for Women jointly organized a Guest Lecture on An Intro to Socio Economic Changes and Upcoming Challenges for the Students in India on 16.12.2019. Mr.C.K.Harisudan, Imaigal IAS Academy, acted as a resource person and delivered an informative and useful lecture. He had provided guidance to prepare for both UPSC and TNPSC examinations with an effective and executable planning. Also he had shared his experiences for what not to do. The highly effective part of the lecture was the interactive session. Many of the students had interacted with the resource person with many queries and also with difficulties they had faced in the previous competitive examinations. About 150 Post Graduate students of Commerce, History, English and Botany had benefitted through this programme. On the whole, the guest lecture provided a better platform for the civil services and TNPSC aspirants.
