National Science Day Celebration was commemorated on 28th Feb, 2020 on the theme “Women in Science”. The programme was organized by the Department of Physics and Zoology under DBT-Star College Scheme, with the objective of highlighting the significance of celebrating the Science Day in remembrance of Sir Chandrashekhara Venkata Raman for receiving the noble prize for discovery of Raman Effect. In the forenoon, Prof.R.Ramaraj, Ph.D., D.Sc.(Japan), D.Sc.(MKU), FNA, FNASc., Professor of Eminence, Madurai Kamaraj University, addressed the gathering on the topic “Science Innovations and its impact on Life”. His presentation focused on the history of science and technology in the Indian subcontinent, the Science and technology in the Republic of India, which includes automobile engineering, information technology, communications, space, polar, and nuclear sciences. He also insisted the importance of women in higher education and motivated the students for better research by applying innovative ideas. The students prepared models and experimental setups and a science exhibition was arranged for school students in the afternoon.
