CENTER FOR MARTIAL ARTS INAUGURATION

Martial arts are codified systems and traditions of combat practices, which are practiced for a number of reasons. The center for Martial arts has inaugurated by our Honorable Chief Minister Thiru.Edappadi K.Palaniswami on 21.08.2019, during the Golden jubilee Celebrations of our College. Martial arts originated as Ancient combat techniques. Depending on the form they involve performing technical and often explosive moves such as Kicks, Punches and Throws; some types use Swords, Bow and Arrow or other weapons Practitioners boost their physical, mental, emotional and spiritual health. In order to provide opportunities for learning the self defense skills our department has conducted Martial Arts training Program for the following events:

- 1. Boxing
- 2. Karate
- 3. Wrestling
- 4. Taekwondo
- 5. Silambam

College Bazaar was organized for 4 days at Non- Resident Hall in the College campus

from 28.01.2020 to 31.01.2020 in unison with Mahalir Thittam of Tamilnadu Corporation for

Development of Women (TNCDW) to contribute to the economic empowerment of Self Help

Group Women.

Dr.S.K.Jayanthi, Principal Incharge inaugurated the programme in the presence of

Dr.V.Renugadevi Assistant Professor and Head, PG& Research Department of Commerce,

Mr.P.Anbalagan, Assistant Project Officer, Skill & Employment, Mahalir Thittam, Erode and

other faculty members and students of PG & Research Department of Commerce.

The programme being an exhibition cum sale, provided a platform for the Self Help Group

Women to market their products. Totally 44 stalls were set-up by SHG Women hailing from 11

districts namely Coimbatore, Erode, Madurai, Namakkal, Salem, Thiruvannamalai, Viruthunagar,

Tirupur, Dindugal, Ramanathapuram and Thoothukudi. They offered for sale a variety of

products such as fancy items, herbal health care products, food products, sarees, dress materials,

fancy jewelleries, jute and leather bags, purses, slippers, key chains and bamboo products. The

staff and students of all UG and PG courses of both Aided and Unaided of our college were

allowed to visit the stalls as per the time schedule. Students from Vellalar Matriculation School &

Vellalar Girls High School also visited the college bazaar. There was an overwhelming response

from both the Students and Staff of the college enabling the Self-Help Group women to garner a

turnover of Rs. 5,26,480 (Rupees Five lakhs twenty six thousand four hundred and eighty only)

during the four day College Bazaar. The Physical Education Department of our college

conducted games to the SHG members. Like Lemon and Spoon, Water filling in Bottle, Musical

Chair and Slow Cycle race. Nearly 26 members participated and won Prizes.

Report

The Department of Physics has organized and conducted a DBT sponsored outreach program for school students from various schools in Erode on 07.02.2020 in Non-Residential Hall on "Basic Experiments on Physics and Planetarium Show". Mr. Saravanan, Technical Officer, from Tamilnadu Science & Technology Centre, Birla Planetarium, Chennai conducted the Planetarium show along with a mobile museo bus which exhibits the basic and fun physics expirements. This programme has motivated and kindled their interest in learning physics and about the universe from earth to stars. 150 students from Government high school, Thindal and 500 students from Vellalar matriculation and state board schools got benefitted through this programme.

A Report

The Department of Physics has organized and conducted an outreach program for the students of Government Middle School, Siraimeetanpalayam on 11.03.2020 to bring out the hidden talents of students and with a focus on creating more enthusiasm on Science. Under the guidance of the faculty members, I B.Sc Physics students has prepared around 30 basic Science working models related to Newton's law, Surface Tension, Pascal's law, Density, Laws of Reflection, Periscope, Pressure, Centre of Mass, Projector, etc. They demonstrated the models which gives an explanation in some interesting physics concept and how they can be seen in real life. Study materials were provided for school students. The school students were interacted with our students and make clear their doubts by asking about the scientific concepts forming the basis of the model. The students were fascinated by the simple models which were displayed and they were exposed to handle the models.65 students from Standard VI to VIII were benefited through this programme which can be used for learning various scientific concepts. For our students, it is a great experience so that they can think more concepts and prepare models in the forthcoming year. Beneficiaries have given a good feedback about the programme and they usked to arrange the program in the next year also.
