PTV Expert Comment:

The Governing Body is the Policy making body and is chaired by the President and comprises of four members nominated by the Trust. The Academic Council is headed by the Principal as the Chairperson and comprises of University Nominees, Management nominees and Controller of Examination and Senior Staff Members, Director of Physical Education, Member Secretary of IQAC and Chairpersons of Boards of Studies.

The proposal and initiatives of Boards of studies, different committees and Controller of Examinations are presented and approved in the Council.

Teachers have a representative role in all Boards and Committees. They are encouraged to take up administrative positions to groom themselves and help students to become future leaders.

Justification:

The Governing Body and other policy making bodies are so reflective on the Vision and Mission statements materializing distinctive capacity building initiatives with maximum profundity. Hence, the HEI requests to consider revising the score.
