## 6.2.1 The institutional Strategic / Perspective plan is effectively deployed

- A multipronged Strategic Plan envisaging updation and upgradation in different directions has been implemented to empower the institution to evolve as College of Excellence.
- A gamut of new programmes and courses has been launched to develop personal and transferable skills.
- In the Assessment period (2015-2020), the institution has implemented 20 Value-Added Courses customised with the objective to bridge the skill gaps and make students industry-ready with interdisciplinary skills, Parent University approved 10 new Programmes and One Certificate Course.
- The curriculum is designed in view of the Vision and Mission of the Institution.
- With the expertise of the external faculty, the syllabi has been framed and passed in the Boards of Studies and approved by the Academic Council.
- The IQAC organized 18 programmes to introduce faculty to scientific course-designing based on Outcome Based Education.
- Training was also given on adopting Revised Bloom's Taxonomy and on the principles of applying Research-Based Pedagogical Tools (RBPT) to write learning outcomes, prepare lesson plans and design instructional strategies.

### **Justification:**

The strategic plan and achievement of the HEI is posted on the website. The perspective plan is effectively deployed by conducting various Skill-Based Courses in the curriculum and other Value Added Courses which impart additional skills to become self-employed and industry ready graduates with interdisciplinary skills.

Hence, the HEI requests to award enhanced score.
